## Brave Discretion

Providence Series – Esther 5 | Sunday, May 16 | Pastor Mike Burnett

**Truth for Today:** Brave discretion requires \_\_\_\_\_ tact, while a fool's \_\_\_\_\_ is known at once.

**Patience & \_\_\_\_\_ tact are valuable \_\_\_\_\_ that God can use in our lives.**

Before Esther approached the \_\_\_\_\_, she approached \_\_\_\_\_ God!

She followed royal \_\_\_\_\_ with great bravery.

Relational \_\_\_\_\_: the ability to be aware of & understand yours & others' \_\_\_\_\_, values, interests & demands, to critically reflect on them & use this information to guide one's actions & behavior with respect to others.

When you're in a \_\_\_\_\_ relational situation, do you seek \_\_\_\_\_ first? Are you characterized by patience and relational tact?

\_\_\_\_\_ comes before destruction, and an \_\_\_\_\_ spirit before a fall. (Proverbs 16:18)

Haman was on \_\_\_\_\_ of the world, but that wasn't \_\_\_\_\_!

Mordecai bravely did not follow \_\_\_\_\_.

\_\_\_\_\_ and pride share similarities...

The only \_\_\_\_\_ place to put your \_\_\_\_\_ is in the Lord. Psalm 16:8 & 62:6.
